

CLUB PROFILE

- Founded in 2010
- 140+ college commitments
- 50+ high schools represented
- Players at 40+ Division I schools
- 30+ township programs represented
- Players at 40+ Division III schools

OUR PHILOSOPHY

Our club teams challenge and develop players who are committed to lacrosse year-round. Constant communication, individual feedback and professionally trained coaches are infused into each NXT Lacrosse Club team.

PLAYER DEVELOPMENT MODEL

Our five-step approach to the total lacrosse player:

1. FUNDAMENTALS

Building the foundation by training relentlessly year-round

2. TEAM STRATEGIES

Learning to master the 5 phases of the game

3. POSITION-SPECIFIC

Skills & drills designed to help master your position

4. DECISION MAKING

Small-sided games and fast-paced scenarios designed to challenge your IQ

5. INTANGIBLES

Leadership, hustle, coachability, competitive spirit, and learning to be a great teammate

FULL-TIME STAFF

We work hard to make the experience matter for every player and every family.

Our student-athletes are fully supported on and off the field by our full-time staff.

PETER LAWRENCE | Director of NXT Lacrosse Club High School

Former Division I Head Coach at University of Hartford
peter@nxtsports.com

MARTY KUPPRION | Director of NXT Lacrosse Club Youth

Founded the NXT Lacrosse Club in 2010

BILL LEAHY | Director of Coaching and College Guidance

Former Head Coach at La Salle College High School

BRETT MANNEY | Vice President of Sales and Recruiting

Current Captain of the NLL's New England Blackwolves

TUITION POLICY + PAYMENT PLANS

NXT provides unprecedented value in exchange for your commitment. Paying tuition on time allows us to optimally run the club and meet our financial obligations to our coaches and paying training facility costs, equipment costs, and tournament fees.

2020-2021 TUITION PAYMENT OPTIONS

(Payments can be processed online or made by check)

OPTION 1: Pay tuition in full by Sept. 1, 2020 to receive a 7.5% discount.

OPTION 2: Pay 3 equal installments starting Sept. 1, 2020.

OPTION 3: Pay \$500 deposit by Sept. 1, 2020 and then 7 equal monthly installments from Oct. to April + 5% interest.

*** Team-specific practice schedules, event schedules and tuition information vary for our different age groups ***

NIKE PARTNERSHIP

NXT has entered a five-year partnership with global sports leader Nike under which Nike will support the NXT Lacrosse Club. NXT will be among the first club teams to be neck-to-toe in Nike.

YEAR-ROUND TRAINING

We pride ourselves in training more than other clubs. When you commit to our NXT team, you commit to the full year. In order to build team camaraderie, chemistry and consistency, attendance at practices and tournaments is taken seriously. We use the area's best facilities for all of our programming: the Proving Grounds in Conshohocken (fall/spring/summer) and Steelyard Sports Complex in King of Prussia and Main Line Sports Center (winter). We encourage and support multi-sport athletes by allowing other sports to take priority in their respective seasons, and by allowing our club players to make up missed training hours at our clinics that better fit their schedules.

TRUE EDUCATORS

Our coaches know the game, having coached and played at every level. Our directors, along with many of our coaches, have backgrounds as teachers. All NXT coaches are background-checked and are PA Act 153 compliant, meaning your kids are safely supervised and working with professionals.

GUARANTEED ACCESS TO TOP EVENTS

NXT teams do not have to travel far to play in great events, as the NXT players get access to the best tournaments, showcases, and educational programming. Our top players receive invites to the nation's best individual showcases such as Maverik Showtime and Adrenaline Black Card. NXT boys are annually represented in the Under Armour All-American Games and with the FCA National Teams.

NXT FAMILY MEETINGS

We believe that each player should have access to constant coach feedback. At the end of each fall season, we welcome our middle school and high school families to attend individual meetings with the NXT staff. Family meetings are held to discuss each individual's progress, academics, future goals and action plans to achieve their goals.

COLLEGE GUIDANCE PROGRAM

In our first six classes, NXT has sent over 140 players on to play college lacrosse. We have created a guidebook to help each family through the college recruiting and application process. Coaches Bill Leahy and Peter Lawrence are available to work with any and all NXT families throughout their unique journeys. Our staff also communicates with the high school coaches of our players to fully support their long-term goals of playing college lacrosse.

NEXT LEVEL VIDEO

Next Level Video will be filming fall and summer events for our high school teams, which will be built into this year's tuition. Our high school players can take advantage of discounted rates for industry-leading highlight reels from NLV. Also built into this year's tuition, NLV will be filming games at the Mid-Atlantic Spring League for our youth teams. We use video as a teaching tool for all our teams.

WE TAKE SAFETY SERIOUSLY

NXT follows careful safety procedures at all practices and events to ensure participant safety. We use Go4Ellis to hire and have an Athletic Trainer on-site for every practice. Our AT's work directly with families and coaches to support every athlete. NXT subscribes to Schneider Electric's weather monitoring service.

NXT WATCH

We love to cover and promote our players and teams. From photos and updates to awards, highlight videos and college commitments, we take a lot of pride in highlighting the success of our players.

HIGH SCHOOL

PHILA STARS
