

## CLUB PROFILE

- Founded in 2010
- 200+ college commitments
- 65+ high schools currently represented
- Players at 50+ Division I schools
- 35+ township programs represented
- Players at 75+ Division III schools

The home training base of the NXT Lacrosse Club is The Proving Grounds in Conshohocken, PA.

## OUR PHILOSOPHY

Our club teams challenge, empower and develop players who are committed to lacrosse year-round. Constant communication, individual feedback and professionally trained coaches set the standard for NXT Lacrosse Club.

## PLAYER DEVELOPMENT MODEL

*Our five-step approach to the total lacrosse player:*

### 1. FUNDAMENTALS

Building the foundation by training relentlessly year-round

### 2. TEAM STRATEGIES

Learning to master the 5 phases of the game

### 3. POSITION-SPECIFIC

Skills & drills designed to help master your position

### 4. DECISION MAKING

Small-sided games and fast-paced scenarios designed to challenge your IQ

### 5. INTANGIBLES

Leadership, academics, hustle, coachability, competitive spirit, and learning to be a great teammate

## FULL-TIME STAFF

*We work hard to make the experience matter for every player and every family. Our student-athletes are fully supported on and off the field by our full-time staff.*

**TOM WALTON** | Director of Digital Communications

**JESSI MARTION, JAKE MCKEON, AND CAROLINE GRASSO** | Internal Services

## ACCESS TO NATION'S BEST NATIONAL TEAMS

Nation's Best Lacrosse is an all-elite championship lacrosse program comprised of the very best athletes from across 3STEP Sports lacrosse. Players from our partner clubs are given the opportunity to practice and compete together at the nation's premiere lacrosse tournaments while being coached by a mix of club directors, high level contract coaches, and college coaches. Nation's Best will unify the 3STEP Sports lacrosse brands periodically throughout the year to compete at the highest level while showcasing all of the opportunities that 3STEP Sports provides its partner brands. As the first national program of its kind in the country, Nation's Best gives athletes a unique lacrosse experience never seen before.

## NIKE PARTNERSHIP

NXT has an unprecedented partnership with global sports leader Nike under which Nike will support the NXT Lacrosse Club. NXT is one of the first club teams to be neck-to-toe in Nike.

## YEAR-ROUND TRAINING

We pride ourselves in training more than other clubs. When you commit to our NXT team, you commit to the full year. In order to build team camaraderie, chemistry and consistency, attendance at practices and tournaments is taken seriously. We use the area's best facilities for all of our programming: the Proving Grounds in Conshohocken (fall/spring/summer) and Steelyard Sports Complex in King of Prussia and Main Line Sports Center (winter). We encourage and support multi-sport athletes by allowing other sports to take priority in their respective seasons, and by allowing our club players to make up missed training hours at our clinics that better fit their schedules.

## TRUE EDUCATORS

Our coaches know the game, having coached and played at every level. Our directors, along with many of our coaches, have backgrounds as teachers. All NXT coaches are background-checked and are PA Act 153 compliant, meaning your kids are safely supervised and working with professionals.

## GUARANTEED ACCESS TO TOP EVENTS

NXT players get access to the best tournaments, showcases, and educational programming. Our top players receive invites to the nation's best individual showcases. NXT boys are annually represented in the Under Armour All-American Games and other top events.

## NXT FAMILY MEETINGS

We believe that each player should have access to constant coach feedback. At the end of each fall season, we welcome our middle school and high school families to attend individual meetings with the NXT staff. Family meetings are held to discuss each individual's progress, academics, future goals and action plans to achieve their goals.

## COLLEGE GUIDANCE PROGRAM

Connecting with college coaches is Coach Lawrence's full time job. He will also work to guide each family on a path to success. Every player in the high school club receives a SportsRecruits profile as part of their tuition. Coaches Bill Leahy and Peter Lawrence are available to work with any and all NXT families throughout their unique journeys. Our staff regularly communicates & mentors our players to fully support their long-term goals of playing college lacrosse.

## NEXT LEVEL VIDEO

Next Level Video will be filming fall and summer events for our high school teams, which will be built into this year's tuition. Our high school players can take advantage of discounted rates for industry-leading highlight reels from NLV. Also built into this year's tuition, NLV will be filming games at the Mid-Atlantic Spring League for our youth teams. We use video as a teaching tool for all our teams.

## WE TAKE SAFETY SERIOUSLY

NXT follows careful safety procedures at all practices and events to ensure participant safety. We have an Athletic Trainer on-site for every practice. Our AT's work directly with families and coaches to support every athlete. NXT subscribes to Schneider Electric's weather monitoring service. We also work with Mitch Greene from Greenpsyche to support all our players' mental wellness.

## NXT WATCH

We love to cover and promote our players and teams. From photos and updates to awards, highlight videos and college commitments, we take a lot of pride in highlighting the success of our players. We have a full time staff to do this on your behalf.
